- I am requesting a graduate fellowship in Genetic Counseling for Fall 2012 semester in the amount of \$3,125. I understand that:
- Entering students and full-time matriculated graduate students in good standing\* in the Graduate Program in Genetic Counseling are eligible for one semester of financial support from the UUGPGC.
  - Students who receive awards of half the regular tuition are eligible to participate in the University of Utah Graduate Tuition Benefit Program. Students **must** read the tuition benefit guidelines, which may be obtained from the tuition benefits coordinator for Human Genetics (Natalie Johnson, 801-585-5462).
